

I am a creative and driven UX/UI designer with a passion for collaboration and innovation.

WORK EXPERIENCE

Neovation Learning Solutions - *Senior UX Designer & Tech Lead*

OCTOBER 2024 - PRESENT

Responsible for managing a small team of UX designers; settings overall design direction and strategy; facilitating cross-team communication.

Neovation Learning Solutions - *UX Designer*

AUGUST 2020 - OCTOBER 2024

Responsible for designing new products and features from conception through to development and testing; communicated with stakeholders, developers, and QA analysts; implemented processes to streamline the design to development pipeline; developed design systems using Figma.

24-7 Intouch - *Web Designer and Developer*

NOVEMBER 2019 - MAY 2020

Designed and developed new web solutions using WordPress; designed and iterated web-based proprietary software; developed product solutions from concept to wireframes to high-fidelity mockups.

Sesame Design - *Freelance UX/UI and Web Designer*

OCTOBER 2018 - PRESENT

Worked with a wide variety of clients including start ups, agencies, marketing professionals, small and non-profit companies; created software designs, marketing materials, and graphic design solutions.

PERSONAL SKILLS

Personal initiative & leadership

Able to identify areas which need attention; employ effective problem solving strategies to develop solutions, and delegate tasks accordingly.

Analytical & forward-thinking

Able to see the big picture of a project and how it may interact with other projects in the company; driven to plan ahead and analyze project health throughout the design process.

Excellent time management

Able to work in a fast-paced environment while managing multiple projects and due dates; able to prioritize tasks based on the needs of other teams, clients, and stakeholders.

EDUCATION

Red River College, Winnipeg - *Digital Media Design*

Graduated with a two-year diploma in Web Development.

ACHIEVEMENTS

2024 - after 4 years at Neovation Learning Solutions, received a promotion to Senior UX Designer due to a high quality of work and strong self-initiative.

2022 - over four months, completed a UI redesign of a complex SAAS app resulting in multiple industry awards and contracts for the company.

2021 - helped implement a design to development pipeline at Neovation Learning Solutions; increased efficiency in design handoff.
